

REQUEST FOR QUOTATIONS FOR WORKS

Works	Construction of one (1) 1800sq. ft. greenhouse in Dominica, Grenada, Jamaica, and Saint Lucia
Project	Investment Plan for the Caribbean Regional Track of the Pilot Program for Climate Resilience
Grant No.	ATN/SX-14696-RG
Contracts/Quote Nos.	W10/C4.03-09 (Jamaica), W11/C4.03-10 (Grenada), W12/C4.03-11 (Saint Lucia), and W13/C4.03-12 (Dominica)
Deadline for Submission of Quotes	20 May 2019
Deadline for Completion of Project	June 2019
Eligibility	IDB Member Countries in addition to the Pilot Countries – Dominica, Grenada, Saint Lucia, and Saint Vincent and the Grenadines

The University of the West Indies, Mona (UWI, Mona) has received financing from the Inter-American Development Bank (IDB), toward the cost of the Investment Plan for the Caribbean Regional Track of the Pilot Program for Climate Resilience (PPCR).

The PPCR is a five-year project being executed by the Mona Office for Research and Innovation (MORI) with a programme mandate, which includes improving the availability of climate resilient crops & agricultural production systems by establishing weaning and hardening facilities, and now intends to apply part of the proceeds for the procurement of works.

The works include:

- (i) The provision of supplies and materials for and the construction/installation of the facility with the dimensions 60'x30' to include the following:-

Structural Material:

- a. Galvanized Tubing with bolted brackets
- b. Trusses and Wire / Nylon Support
- c. Insect/viral Proof Mesh

- d. Protection from tropical weather (to be built in)
- e. Height : 10'
- (ii) Ventilation:
 - a. Length: 60'
 - b. Width : 3'-6'
 - c. Polyethylene top (Woven gives strength at the expense of light)
- (iii) Concept design Function:
 - a. Passive Ventilation
 - b. Convection Air Movement - good orientation with prevailing wind for passive extraction
 - c. Reduce Pest and disease management
 - d. The weaning and hardening facilities to be established should include: irrigation (for grow bags and direct planting); misting system, fixed thermal screen, roller plaster.

Particulars:
